**INFORMATION DISCLOSURE STATEMENT FILED IN ACCORDANCE WITH
37 CFR §1.97(b)(3)**

Dear Sir:

Pursuant to Sections 609 and 707.05(b) of the MPEP and 37 CFR 1.97-1.98, the attached PTO-1449 makes of record several documents that were cited in an International Search Report (copy enclosed) for International Patent Application PCT/IB03/00901. The PCT Application claims priority from this U.S. Patent Application, and there is commonality between certain of the claims and the drawings. The Search Report has a mailing date of 07 July 2003, less than three months prior to the mailing of this Information Disclosure Statement. An action on the merits has not yet been received for the above-referenced U.S. Patent Application. Consideration of the enclosed documents is thus respectfully requested.

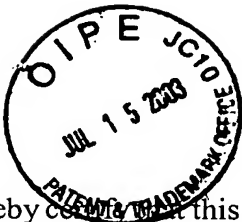

The citation of these documents should not be construed as a representation that any of these documents constitute prior art, or that a thorough search has been made, or that other, more pertinent material is not available.

Respectfully submitted,

Harry F. Smith
